

CrossPath Counseling & Consultation

APPOINTMENTS AND FEES

First session is **60** minutes with a **\$175** fee. Further appointments are usually **50** minutes unless otherwise arranged and the standard fee is **\$125**.

We provided reminder text or emails before your appointment as a courtesy, but not receiving one does not excuse a missed appointment. You are responsible for remembering your scheduled appointments.

We ask for **24 hours** cancellation notice or we will need to bill you **\$65** for a late cancel.

Payment is required at each session unless otherwise arranged.

Patient Financial Responsibilities

The patient (or patient's guardian, if a minor) is ultimately responsible for the payment for treatment and care. We will bill your insurance for you as a courtesy. Please note:

- Patients are responsible for knowing their insurance. If your insurance requires a prior authorization, it is your responsibility to obtain one.
- The patient is required to provide the most correct and updated information regarding insurance.
- Patients are responsible for payment of copays, coinsurance, deductibles, and all treatment not covered by their insurance plan.
- Patients may incur, and are responsible for payment of additional charges, if applicable. These charges may include: Charge for returned checks, charge for missing appointments without 24-hour notice, ect.

By my signature below, I hereby authorize assignment of financial benefits directly to Crosspath, LLC and any associated healthcare entities for services rendered as allowable under standard third-party contracts. I understand that I am financially responsible for charges not covered by this assignment.
